Verse 1:

I cast my mind to Calva ry

Where Jesus bled and died for me

I see His wounds, His hands, His feet

My saviour on that cursed tree

Verse 2:

His body bound and drenched in tears

They laid Him down in Joseph's tomb

The entrance sealed by heavy stone

Messiah still and all alone

Chorus:

O praise the name of the Lord our God

O praise His name forever more

For endless days we will sing Your praise

Oh Lord, Oh Lord our God

Verse 3:

Then on the third at break of dawn

The Son of Heaven rose again

O trampled death, where is your sting

The angels roar for Christ the King

Verse 4:

He shall return in robes of white

The blazing sun shall pierce the night

And I will rise among the saints

My gaze transfixed on Jesus' face
